

PET SAFETY CHECKLIST

Forbidden Foods

- Chocolate
- Xylitol (sugar substitute in baked goods, candies and peanut butters)
- Onions and garlic
- Raw dough
- Macadamia nuts

Dangerous Décor

- Never leave candles unattended
- Use electrical tape to secure cords
- Avoid tinsel which can cause obstructions
- Place a gate around the tree
- Avoid edible decorations and salt dough ornaments
- Make sure tree water is covered
- Quickly dispose of all wrapping materials

Party Time Precautions

- Use pheromone diffusers to help pets remain calm
- Use puzzle toys to keep pets occupied
- Set a room aside for your pets to be alone
- Educate your guests not to share food and to store medications in a safe place

Pets fed fatty table scraps are at risk for pancreatitis.

Holly, mistletoe and poinsettias can make your pets sick. Lilies can be deadly to cats.

Make sure your pet has a personalized ID tag and an up-to-date microchip.

Have a happy, healthy holiday with your pets!
