

YOUR PUPPY IS NOT A DOG—YET

AND HERE'S WHY HE HAS
DIFFERENT NUTRITIONAL NEEDS

PUPPIES NEED MORE ENERGY THAN ADULT DOGS

ROYAL CANIN® PUPPY formulas provide concentrated nutrition for puppies' small stomachs and demanding energy needs.

PUPPIES' IMMUNE SYSTEMS ARE MORE FRAGILE

ROYAL CANIN® PUPPY formulas feature an exclusive complex of antioxidants to support puppies' natural defenses.

PUPPIES' DIGESTIVE SYSTEMS ARE MORE SENSITIVE

ROYAL CANIN® PUPPY formulas feature a combination of highly digestible, high-quality protein and prebiotics to support his developing digestive system.

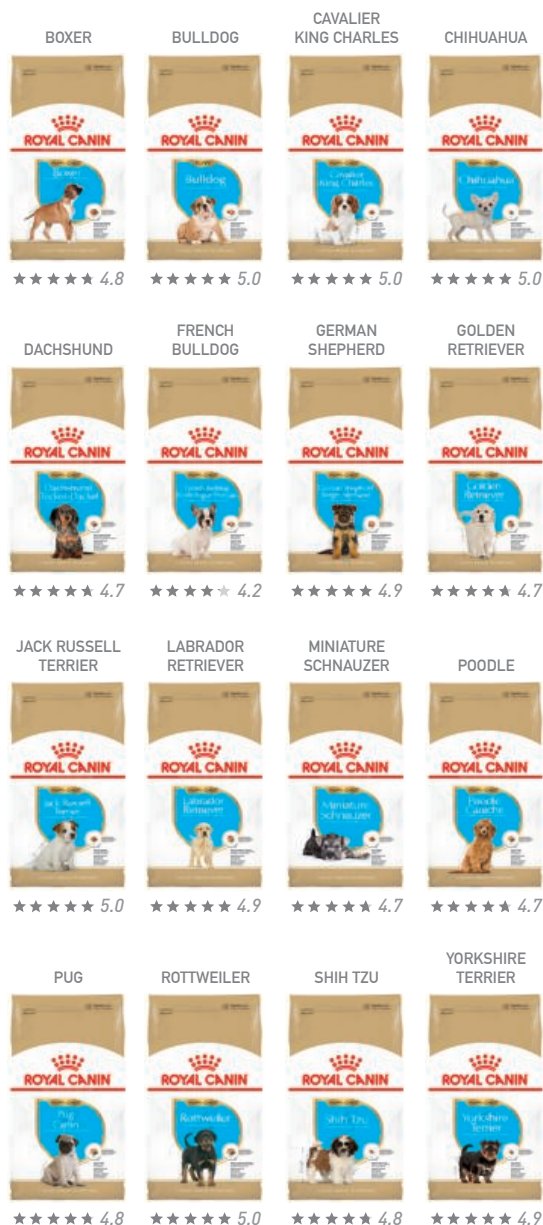

PUPPIES' MUSCLES AND BONES ARE GROWING FAST

ROYAL CANIN® PUPPY formulas feature a precise balance of protein, vitamins and minerals to nourish healthy growth.

TAILORED NUTRITION FOR YOUR PUPPY'S VITAL FIRST YEAR

The nutrients he gets as a puppy become the foundation for his long-term health as a dog. Feed his healthy growth with formulas designed precisely for his breed or size—and all the unique considerations that come with them.

BREED HEALTH NUTRITION®

Our puppy's first bowl was gone in 60 seconds!

He has loved this food from day one, and we love that he is getting the best nutrition possible.

SIZE HEALTH NUTRITION™

My puppy loves it!

 KW23, [RoyalCanin.com](https://www.RoyalCanin.com)

I get complimented on his shape, coat and weight all the time. My vet is always so impressed when he sees Rhett! Love Royal Canin!!
